

SENCER SCI-NE and Campus Compact Joint Meeting

Oct. 15, 2021 Friday 10am – 3pm at WPI

Program Schedule

- | | |
|---------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 10:00 – 10:05 | Welcome |
| 10:05 – 10:30 | Group Share – “Brave New World”: sharing our roses, thorns, and buds |
| 10:30 – 11:20 | Connecting for Engaged Scholarship in Tenure & Promotion
As engaged scholars how do we build a movement within our institutions and higher education that supports and rewards engaged scholarship? This discussion will focus on emerging practices and strategies that help to create opportunities for support of engaged scholarship in promotion and tenure. Campus Compact and SENCER will center this conversation through equity and community organizing lenses to reimagine what support for engaged scholarship can look like in promotion and tenure.

Facilitators:
Dr. Eliza Reilly, National Center for Science & Civic Engagement, Executive Director
Dr. Marisol Morales, Campus Compact, VP Network Leadership |
